

How to separate and dispose of household waste

Household waste collection in Noboribetsu [Archive]

- Put out your waste in the waste collection containers by 8am on the pick up day.
- Waste is collected on public holidays, but not on Sundays or during the New Year (from December 31st to January 3rd).
- Collection resumes January 4th.
- Pick up days vary by region, so please check the collection calendar for the pick up days in your area.

Update: 2022

Combustible waste (Twice a week)

Days of the week:

Paper, textiles, food waste, plastic, tree branches and wood, rubber and synthetic leather products, cigarette butts, cinders, disposable diapers, pet poop, cooking oil, etc.

Designated yellow garbage bags

Incombustible waste (Once a month)

Day of the month:

Metal, ceramic, glass, wood, bamboo, home appliances, small furniture, etc.

※If the items are too long to fit into a garbage bag, please bundle them together into bundles no greater than 140 cm in length and 10 kg in weight, and attach a garbage disposal ticket to each item.

Designated blue garbage bags

Paid

Recyclables (Once a week)

Day of the week:

cans, bottles, plastic bottles

※Please put cans and bottles in the same bag.

Caps and labels are combustible waste.

Transparent or translucent bags

Free

Hazardous waste (Once a month)

Day of the week: Same day as incombustible waste

Items containing mercury, batteries, etc.

※Please make sure to label the bag as "hazardous waste."

Transparent or translucent bags

Free

Bulky waste (Twice a year)

(once every six months)

※Please apply in advance by phone during the application period for your area.

Furniture, bedding, metal items, etc. that are 140cm or longer or weigh 10kg or more

Garbage disposal ticket per item

Paid

Small rechargeable batteries (lithium ion batteries, etc.)

Fluorescent lights, Mobile batteries, Dry cells, Button cells, Thermometers

About self-delivery of garbage

For one-time waste due to moving, etc., bring them to the waste management service center yourself.

Hours: 9:00-16:00 (closed on Sundays)

Fees: 800 yen up to 100 kg (80 yen/ 10 kg over 100 kg)

Please separate your waste by type and place it in transparent or translucent bags. If you cannot fit your garbage into a bag, please bring it in as is.

You will need to submit an application form and show identification such as a driver's license at the weighing counter.

According to national law (Home Appliance Recycling Law), "televisions, freezers/ refrigerators, washing machines/washer-dryers, and air conditioners" are not collected by the city as "garbage."

Please request pickup from the store where you purchased the appliance or the store where you are replacing it, or bring it yourself to a designated collection site. (If bringing it yourself, the recycling fee must be paid via the nearest post office.)
